

Owning Your Business Living Your Dream

Thirty-One is a new concept in home-party entertainment that believes in encouraging and rewarding women like you. Become a Thirty-One Consultant and you can:

- ▶ Own your own business and earn extra income
- ▶ Socialize with your friends and meet new people
- ▶ Earn fabulous rewards by providing a safe, fun and relaxing shopping experience!

WHO WE ARE

We are Thirty-One and we're just like you. We have busy lives, commitments to make and ends to meet. We understand the importance of giving women like you the opportunity to maintain a home life while still enjoying a fulfilling and rewarding career.

WHAT WE'RE ALL ABOUT

There's no home-party company quite like Thirty-One. Rather than focusing on only one theme (beauty, home décor, or kitchen products, for example) we've broadened our horizons with complete gift collections that are attractive and affordable.

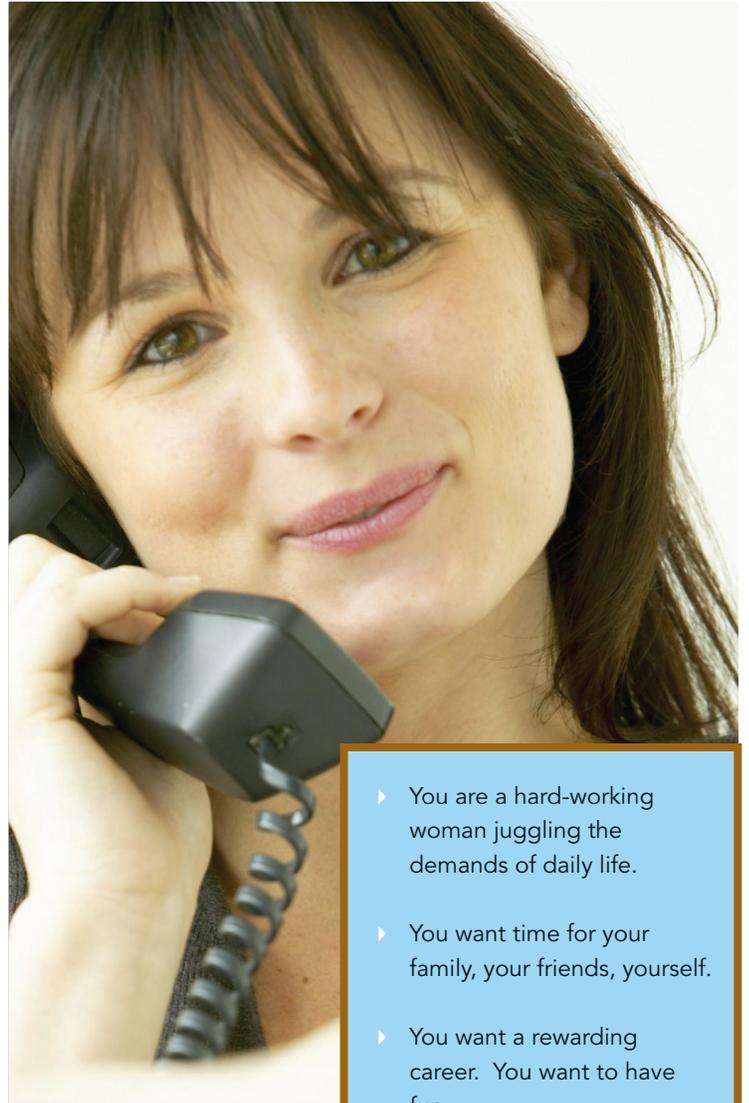

WHY WE'RE DIFFERENT

It's simple: we take pride in continually offering new, stylish products in a comfortable, no-pressure sales atmosphere. We think shopping should be fun!

WHAT WE BELIEVE

Thirty-One was formed using Christian principles as a foundation. We believe in encouraging, recognizing and rewarding women by providing a safe, fun, beneficial and flexible work experience.

Thirty-One loves rewarding consultants! Forget complicated rules and fine print exceptions because they don't exist here. We simply reward a job well done! Simply set and achieve your sales goal. You earn one point for every dollar in sales.

- ▶ You are a hard-working woman juggling the demands of daily life.
- ▶ You want time for your family, your friends, yourself.
- ▶ You want a rewarding career. You want to have fun.
- ▶ As a Thirty-One Consultant, you can have it all!

In addition, you earn 500 points for each consultant you recruit* during the incentive period. Achieve the point totals and you'll win an exciting Caribbean cruise!

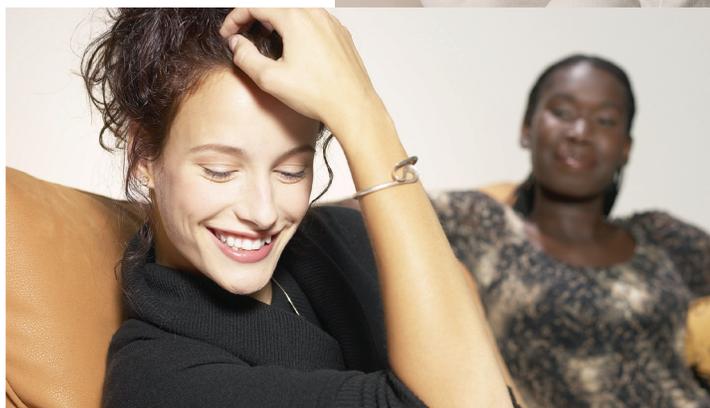

NOTE: Gift vouchers may be substituted if travel is not optional. Value of the gift voucher will be less than the value of the cruise.

*the consultant must become active during the incentive period.
